Saturday, 10 October 2026 - 6:00pm

Exhibizone invites you to explore The Sky Above 2026, its 3rd annual international smart online exhibition, running from October 10 to December 10, 2026. Bringing together artistic perspectives on the sky and its meanings, the exhibition welcomes visitors worldwide to discover how looking upward can become an act of imagination, reflection, and connection.https://www.exhibizone.com/theskyabove2026
